Sarah, calling me stupid is not going to pull that ample tushie out of the fire. But please, make sure you share that theory with the judge.

She's never going before the judge in your "LOLSuit: The Search for the Tort of Butthurt" epic drama. And yes, you're stupid, Biwwy.

Somehow, I think he has waaaay more of an ample tushie than I've ever had. Now, as ample of a GOWN as I wore this weekend? Yeah, I win that battle – and with pride because I'd like to see him attempt to wear that behemoth! The overdress weighed 10 pounds by itself. lol Although the tent he wore in his Pastafarian portrait was starting to rival it in circumference.

He's jealous that you're ambulatory. He's limited to filming his apartment complex, which is the most exercise he's accomplished in the last few years.
